The image displays the front cover of an antique book. The left portion of the cover is decorated with a series of closely spaced, vertical gold-tooled lines. The right portion is a solid, textured surface in a mottled brown or taupe color, showing signs of age and wear. The spine of the book is visible on the far left edge.

32 CLOSER

This image shows a blank, aged, light brown page, likely an endpaper or flyleaf of a book. The paper has a textured, slightly mottled appearance with some minor creases and discoloration, characteristic of old paper. The page is oriented vertically and occupies the right half of the image.
